I am aware of the interconnection interest at my service address that resides within Somerset Rural Electric Cooperative territory and give permission to the company and representative listed on this inquiry form to proceed in conversation on my behalf.

Member Name: _____

Member Signature: _____ Date: _____

I acknowledge that I have been in contact with the property owner and/or member of Somerset Rural Electric Cooperative, Inc about potential AES development at this parcel. I understand that if the system size will exceed 300 kW, all system inquiries must be forwarded to Allegheny Electric Cooperative.

Representative Name: _____

Representative Signature: _____ Date: _____

Upon completion and return of this form, the co-op can process your request to further discuss the project. If the proposed system size is greater than 300 kW, please include Chuck Anna, Principal Engineer, Planning & Delivery Services at Allegheny Electric Cooperative, Inc. in all correspondence. You can reach him by calling 717-901-4502 or by e-mail at chuck_anna@ccsenergy.com.
