CO-OP MEMBERS HELPING OTHER CO-OP MEMBERS

Within the membership of Somerset Rural Electric Co-op are many genuinely needy people who face crisis situations beyond their control. These problems prevent them from paying their electric bills. Many of you may be aware of a neighbor, friend or relative who has had, or is suffering through a crisis. Keeping the LIGHTS-ON during these stressful times is important and in some cases vital.

LIGHTS-ON GIVES YOU AN OPPORTUNITY TO HELP

You can help another co-op member by making a financial contribution to this fund. The amount of contributions received will determine the number of members who can be helped. These folks are not looking for a hand-out. In most cases, they have just hit some hard times and need a little assistance. It could happen to anyone.

WON'T YOU HELP?

The warmth of your heart will glow in the home of someone in need. Please send a donation to the fund today. It's tax-deductible.

PROGRAM SPONSOR...

Tableland Services Inc.

Community Action Partnership for
Somerset County

*Somerset County's Community Action Agency
has been endorsed by Somerset Rural Electric
Cooperative to sponsor this project.*

Tableland Services will screen all applicants to insure proper distribution of funds.
